Many mall anchors, such as Macy’s, are closing their doors at some locations around the U.S. Will bowling centers take their place? Photo by Fred Eisenhammer

**Guess What May Replace Some of Those Departing Mall Anchors?**

by Fred Eisenhammer

**WOODLAND HILLS — Do you happen to re-member the Topanga Plaza Ice Arena?**

If you’re under 50, perhaps not. If you’re older than 50, perhaps you do. That ice rink was opened on the first level of the Woodland Hills mall in 1964 and it was a smash hit with the younger folk before it closed.

Now that retail chains such as Macy’s, J.C. Pen-ny’s and Sears are closing in bunches under the weight of on-line behemoth Amazon, mall owners are searching far and wide for replacements for their plaza anchors.

Ice rinks are getting the cold shoulder, but bowling centers are receiving close scrutiny.

Northwoods Mall in Peoria, Ill., saw opportuni-ty when its Macy’s depart-ment store closed last year.

That retail center has made plans to move in a bowling center this year on the 56,000 square feet that Macy’s used to occupy.

Rob Karr, president of the Illinois Retail Mer-chants Assn., told the Bloomington-Normal, Ill.-based Pentagraph newspaper that the shopping habits of millennials are shaping retail centers in the U.S. and Sweden’s Jesper Svensson became the first team of two-handed play-ers to win the MaineQuar-terly.com Mark Roth/Mar-shall Holman PBA Doubles Championship Sunday at Bayside Bowl, throwing a closing string of 10 con-secutive strikes to defeat Marshall Kent of Yakima, Wash., and EJ Tackett of Huntington, Ind., 279-195, in the title match.

Trup, a 25-year-old right-handed two-hander, and Svensson, a 22-year-old who threw from the left side, made the title contest a route after Tack-ett left a 4-7-10 split in the fourth frame and failed to convert. Trup won his only other PBA Tour title in the 2015 Wolf Open.

“[Malls] might become mixed-use type centers is what I am saying,” Karr said.

Jans Marketplace tried to place a bowling center on the grounds of its Thou-sand Oaks retail center before its two-year effort fell through. But the collapse of that deal didn’t come because of lack of trying. So don’t be surprised if bowling centers find a home in some California malls – an idea that may have been farfetched years ago.

There’s been much talk about the “death of the mall,” but mall owners don’t quite see it that way. And just because they lose some retail anchors doesn’t mean they’re not creative enough to find a suitable replacement that can draw in people – and a profit.

Bowling centers could be part of the answer to malls’ quandary. And perhaps we’ll even see a comeback of the ice rink.

Top qualifiers throw 10 consecutive strikes to become first team of two-handed players to win

PORTLAND, Maine — Kyle Troup of Tolland, Conn., and Sweden’s Jesper Svensson became the first team of two-handed players to win the MaineQuar-terly.com Mark Roth/Mar-shall Holman PBA Doubles Championship Sunday at Bayside Bowl, throwing a closing string of 10 consecutive strikes to defeat Marshall Kent of Yakima, Wash., and EJ Tackett of Huntington, Ind., 279-195, in the title match.

“Buy a little bit less in terms of clothes and other things, and they want more experiences,” he said. “So you are getting to see malls taking on different types of things.” Those new ventures include bowling centers.

SAN RAFAEL — It has been 30 years since Marin County ABC hosted the 42th Annual California State Men’s Bowling Championships in 1987. It was conducted by the California State Bowling Association with Doubles & Singles at Country Club Bowl in San Rafael and Team event at Nave Lanes in Novato. This year, the 12th Annual California USBC Open and Women’s Championship Tournament, hosted by the Marin County USBC, began on April 7 with Team, Doubles & Singles kicking off at Country Club Bowl.

Looking back at the biggest difference since 1987 would be the number of bowlers. Back then it was nearly 2500 teams of five men for 18 weekends. Bowlers even had to check their bowling bags in a special area. This year we look forward to welcoming almost 500 teams of four men, mixed or women’s teams, to Marin County for 9 weekends. In 1987 the tournament was 18 weekends, April to August. This year will be 9 weekends April 7–June 18. No Bowling Easter Weekend, April 14–16, Mother’s Day weekend, May 12–14, or CUSBC Convention weekend June 9–11. In July, the CUSBC Youth Championships will also be at Country Club Bowl.

Highlights of the first weekend:

Opening ceremony on Saturday included the presentation of colors by the Novato High School ROTC, official greetings from CUSBC President Rosie Parker, MCUSBC President Vern Coleman, Tournament Manager Kathy Bruegeman, and Country Club Bowl Manager Stacy Aldred.

On Saturday April 8, James Brown of Fountain Valley and Upland Bowl rolled a 299! James’ last 300 game was four years ago, so he was ready for another. He has three perfect games and an 813 high series to his bowling credits. John Stark organized the two teams from Fountain Valley.

Terry Lankster of Empire Bowl and Redlands, rolled the first perfect game of the tournament in the afternoon squad on Saturday, April 8 on lanes 39–40. This was his very first sanctioned 300 game for the 203 average bowler. At age 54 he is already a two-time retiree having retired from the Marine Corps and as a Sheriff of Riverside County. Terry currently bowls in four leagues as well as coaching 80 to 90 youth bowlers at Empire Bowl. He almost didn’t come to the tournament this year as he was having trouble with his own bowling, but after some ball work from Zack Jellsey, he credits Zack for the perfect game. His friend, Jessie Cannon organized the two teams to bowl the tournament. Terry’s future goals – topping his highest series of 764--now on to that 800!

It’s nice to see the groups coming into the center wearing matching Team Shirts. The Bay Area Muni teams and as well as the group of Orange County KutUps were lookin’ good in their bowling shirts.

Asking bowlers what they plan to do in their off time - going to San Francisco with a ride over the Golden Gate Bridge and a visit to Pier 39, Wine Country, the Graton Casino, Muir Woods or just out for a nice dinner at one of the many local restaurants with the traveling bowling friends. Bowlers seemed to like the new Bowling Shirts that are available through the CUSBC website and they were even already reserving their spots for the 2018 tournament to be held at Keystone Lanes in Norwalk. Check the CUSBC website at www.calusbc.com for tournament results.

1969 - PART 2

- HARRY GRANT won the CORONA BOWL Washington Singles in 1968. He was the King, on and off the lanes. His Singles was sanctioned, 5 pin drop rule, re-rates possible, had hundreds of squad organizers, four persons on a lane and be familiar with A.B.C. Rule #308! Lots of bowl could be told!

- BETTY GOULDING put together an Eleventh Anniversary Sweeper. Prize fund totaled $1.111.11. More fun stuff - - - 5 cents cigars, 10 cent beer and steak dinners $1.95.

- At last - - - equal prize funds for men and women.

- Tournament clubs were starting to pop up: 200's, 600's, and 700's. Every center and organization was forming clubs and scheduling matches.

- MONTEBELLO BOWL blasted bowlers about their "Wild Mustang" car league. Only $6.00 per week. Even the sponsor of the winning team got a Fastback! Plus Point Money!

- MAR-LIN-DO did a lot of advertising and had a story every week. Their daily Blue Chip squads were very popular. But - - - it didn't seem to be a FUN place to bowl. The big guns around town didn't bowl tournaments there, join leagues, or put up the big numbers.

- The "fun lanes" and "action lanes" were usually the same. VERDUGO HILLS, KONA LANES, PALM SPRINGS LANES, RESEDA BOWL, MONTEBELLO, TROPICANA LANES, ENCINO BOWL, ARCADIA BOWL, just to name a few favorites. What were yours???

- READERS - - - Why not share memories with us? Just drop us a line, call on Mondays or E-MAIL us a story. Spelling doesn't count.

- EDDIE COCHEMS Summer Singles at CAL BOWL was in their 9th season. $10,000 in the pot.

- A familiar face at NORMARK WALK was LEO TARTAMELLO. He was Secretary of the Car League. For the past 30 years he has been making scrapbooks for bowlers. He saved every Bowling News and Pacific Bowler - - - clipped articles and pictures, and has made hundreds of memory books. Big thanks, LEO!!!

- "Gossip" was popular even in the 60's. Many phone calls and visits to centers produced the "Have You Heard" column. In one month it went from a few paragraphs, to a full half page. The column lasted over 25 years.

- BETTY MIVELAZ finally won her first WWPB title in Tahoe. She bundled up flowers, a big trophy and $500.00. After placing second three times, she flashed an Olympic smile.

- DEL MAR LANES was sold and re-named PRO 300 LANES. The new company's name was "Bowlers For Bowlers, Inc." Rumor was, there were share holders. Sounds like too many chiefs and not enough Indians. They were selling games 3 for $1.00. What's on the corner of Crenshaw and Ed Segundo in Gardena as we speak?

- FOR SALE — USED ROUND GUTTERS. $9.50 each. How about a used locker? Only $50.00. How about a used pair of shoes? Only $5.00. How about a used towel? Only $1.00.

- MAR-LIN-DO was in their 9th season. $10,000 in the pot.

- JACK QUINN has a new position outside his Pro Shop - - - Proprietor/Manager of WESTERN BOWL.

- Bargain buy. 12 lane center in choice location, Plumas County. Any takers??

- Wedding bells rang for HERB "JUDGE" ROTH and MARGARET BUTLER. Gossip whispers that LEE JOUGLARD was getting hitched also.

- Fans sat and watched open play "stars", some wore shirts with their names on the back.
Jason Belmonte Becomes 47th PBA “Millionaire,” Achieves Milestone in Record for Fewest Tournaments

Australia’s two-handed star, Jason Belmonte, will officially become the 47th member of the PBA “Millionaire’s Club” this week after qualifying for the match play finals of the Mark Roth/Marshall Holman PBA Doubles Championship at Bayside Bowl in Portland, Maine. And he’ll become the fastest player to reach that milestone in terms of the fewest number of events bowled to get to $1 million, thanks in no small part to his collection of 14 career titles including eight majors.

Less than $2,000 shy of the milestone after winning his unprecedented fourth USBC Masters title in February, Belmonte—who is bowling the Roth/Holman Doubles event with partner Bill O’Neill of Langhorne, Pa.—is assured of winning more than the $2,000 he needs to exceed $1 million in official PBA Tour earnings. At age 33 and bowling in his 131st PBA Tour event, he will shatter the record for reaching $1 million in the fewest number of events, previously held by Wes Malott who broke the million-dollar barrier when he won the 2013 U.S. Open in his 180th event.

The youngest player to reach $1 million in career earnings was Pete Weber who was 26 in 1989 when he reached the milestone in his 253rd Tour event.

A biker takes his Harley Davidson in for a tune up. On the way to the auto shop he manages a speed of 60 mile per hour. ... does 90 miles per hour. He travels the same distance each way - but what is the average speed of his entire journey?

Answer: 72 MILES PER HOUR. Let’s say it’s 60 miles (it’s not necessary to know the actual distance) to the auto shop, so it takes him an hour to get there on the first trip. Therefore it takes him 90 minutes to get home, at 10 miles per hour (or 1.5 miles per minute). So, he travelled a total of 120 miles in 100 minutes, or an average speed of 1.2 miles per minute: 1.2 times 60 equals 72 mile per hour.

PBA60 KILLER ‘B’ OPEN

Baker wins first PBA60 title in opening event of 2017 PBA50 Tour season

NEW PORT RICHEY, Fla. – Professional Bowlers Association Hall of Famer and Four-time PBA50 Player of the Year Tom Baker of King, N.C., survived a 10th frame shootout in the title match to win the PBA60 Killer ‘B’ Open at Lane Glo Bowl Monday for his first PBA60 title.

Baker, who had thrown a double and nine-count to finish with a 247 game, had to wait in the wings as tournament top qualifier two-time PBA50 Player of the Year Ron Mohr of Las Vegas, had a chance to win the match by one pin with three strikes in the 10th frame. Mohr threw the first two strikes but on the third shot left the 2-4-8 to finish with 245.

“That was a great back and forth match,” said Baker, who is a 12-time winner on the PBA50 Tour and 10-time winner on the PBA Tour. “You couldn’t ask for more than that.

“It’s very rewarding when you can win with a big finish,” the 62-year-old Baker added.

“The way Ron was bowling I expected he would probably do the same thing but it looked like he got the ball a little inside in the oil and the ball didn’t have a chance to finish.”

For Baker it was his first national PBA tournament title since capturing the 2012 PBA50 Dayton Classic. In 2016, on the PBA50 Tour, he had four top-five finishes with a best of third in the Mooresville Classic.

“I’m looking forward to a good season,” Baker said. “To get a win right out of the gate really adds to your confidence so hopefully there will be more to come.”

Mohr, an eight-time PBA50 Tour winner, who was trying for his first national PBA tournament win since capturing the 2012 PBA50 Senior Decatur (Ill.) Open title, had a combined eight top-five finishes in PBA50 and PBA60 tournaments in 2016 with a best of second in the UnitedHealthcare Sun Bowl In The Villages and PBA60 Dick Weber Classic.

In the semifinal match, Mohr beat John Dudak of Orland Park, Ill., 236-231, to advance to the final. Dudak, beat Mike Chrzanowski of Shepherd, Mich., 257-215 in the opening match and Don Blatchford of Santa Monica, Calif., 203-151, in the second match to advance to the semifinal against Mohr.

All five players will join a field of approximately 150 players, including defending champion Walter Ray Williams Jr., for the PBA50 Pasco County Florida Open which begins Tuesday at Lane Glo Bowl with first round qualifying. Qualifying continues on Wednesday which will determine the top 32 players who will advance to match play on Thursday. The top five players will advance to the stepladder finals at 4 p.m. ET.

The Pasco County Florida Open will also be streamed live on PBA’s online bowling channel Extraframe.tv.
